

## **ENGINE SEAL AGREEMENT – TERMS OF ENTRY**

I hereby agree that my engine seals are not in a satisfactory condition or are missing and that it is a condition of entry that our team will surrender this racing engine for inspection and re-sealing by SKANSW Inc. prior to leaving the karting complex (listed below).

The engine must remain in Parc fermé and be removed under the supervision of the chief scrutineer.

The engine will be inspected and returned to the owner prior to the next round. If legal the engine will be tagged. If illegal the engine will be returned in pieces to the owner.

In accordance with Karting Australia rules the owner is permitted to be present at the time of inspection.

**Failure to surrender your engine at Parc Fermé will result in immediate exclusion from the event.**

**Failure to sign this document will void your entry.**

**The tagging fee is \$75.00 if surrendered under supervision in Parc fermé**

**The tagging fee if not surrendered at the end of the meeting is \$1138.00**

**If your kart fails to finish and you wish to leave early you are obligated to surrender your engine prior to leaving the karting complex.**
